SUBJECT: Recruitment of KMWahee/PBPrime Personnel

TO: Chief, Dyclip  
Washington, D.C.

Attn:

1. Tentative plans are being made for the establishment of a station frontier interrogation center somewhere in northern LCFlake. BGFiend proposes to assign a representative to such an office and requests that ZRMetal be on the lookout for someone suitable to fill the position. If possible, we should prefer a KMWahoo/PBPrime with fluent knowledge of LCFlake, DTEthyl or HBFairy. As the living conditions in conjunction with such a job will undoubtedly be far below HTCurio standards it is thought that a single person would be most suitable. We would appreciate receiving full background information on any likely candidates before headquarters makes any definite commitments to them.

2. The above covers our current needs here and we do not contemplate requiring the future services of any additional KMWaahoo/PBPrimes.

3. Forwarded under separate cover is background information on Identity (1), a candidate recommended by [ ] for this position. It is suggested that headquarters investigate this candidate as soon as possible.
